EXPERIENCE

CODING TUTOR | WEB DEVELOPMENT

Meerut U.P | Jan 2023 – Onward

Enthusiastic and knowledgeable Coding Student with a passion for teaching and a strong background in computer science and programming. Dedicated to sharing my love for coding as a hobby with others who love coding, fostering a supportive and inspiring learning environment to help them develop essential coding skills and ignite their interest in technology.

DAYAL INFOSYSTEM | SOFTWARE ENGINEER TRAINEE

Meerut U.P | Sep 2022 – Dec 2022

Learn Front end technology, like HTML, CSS, JS, jQuery, Bootstrap to design UI(User Interface) and Figma for better UX(User Experience), and design some UI's of Login page, Register page, Farmer page and E-com web etc.

DUCAT INSTITUTE | WEB DEVELOPER TRAINEE

Noida U.P | Feb 2020 – Oct 2020

Learn, web development with Python, Django and MySQL database, and built some projects (GUI) like: "Banking Automation System", "File Analysis System" by using Tkinter Library of Python. Create some API's by using Django Framework

MATHS TEACHER | MATHEMATICS

Meerut U.P | July 2020 – Present

Mathematics has always been my favorite subject, and it continues to inspire me every day. By sharing my love for the subject, I hope to inspire a lifelong appreciation for learning and problem-solving. Mathematics is more than just numbers; it is a gateway to understanding the world around us

SKILLS

PROGRAMMING LANGUAGES

Python, Basic C, JavaScript, HTML, CSS

LIBRARIES/Frameworks

Bootstrap, jQuery, Django, Tkinter

TOOLS / PLATFORMS

VS Code, Notepad(++), Figma

DATABASES

MySQL, SQLite3

PROJECTS / OPEN-SOURCE

CODEWITHRB WEBSITE | LINK

HTML, CSS, JS, jQuery, Bootstrap

I Created this site to share my coding experience and knowledge.

I'm currently working on this project and learn or explore lots of new things to improve my coding experience.

PORTFOLIO WEBSITE | [LINK](#)

HTML, CSS, JS, jQuery, Bootstrap

My portfolio website serves as a comprehensive showcase of my professional work, projects, and accomplishments. It is a centralized platform that highlights my skills, expertise, and experiences in Web Designing.

UI DESIGN | [LINK](#)

HTML, CSS, JS

Login Page
Register Page
Amazon clone page
W3School clone page

BLOGGING SYSTEM

HTML, CSS, JS, jQuery, Bootstrap, PHP, MySQL

This is the platform where a registered user can create or maintain their blog to share their knowledge, experience and ideas, where the unregistered user can read blogs or can comment on them.

- In this I had coded the Front End part of the project (using Html, CSS, JS, Bootstrap) while the Back End part is done by my friend as she is my project partner (Using Php and MySQL).
- We had made 3 module and 2 forms in this project

BANKING AUTOMATION | RESTAURANT BILLING SYSTEM

Python, Tkinter

I have made these projects, in my training period at Ducat Noida, using python and Tkinter (Library of Python)

CERTIFICATIONS

- Web Development - **DUCAT INDIA, NOIDA - 16**
- Communication & Negotiation Skills - **TCS ION**
-

HONORS & AWARDS

- Got a Honor Certification from Dainik Jagran in 10th Class.
